Mike,

I spoke with this guy and he wanted a copy of our letter to DEP expressing our concerns about withdrawal of drinking water by Cabot, filtration issues etc. Though my understanding is that it was an email document. I suppose we could ask him to submit a FOIA, but I'd prefer not to do that if we don't have to.

Ex. 5 - Attorney Client

Please advise. Thanks,

David

Hi David,
Can you please give me a call at your earliest convenience? It's about Dimock.
Thanks,
Mike

which may be a computer program. This attached computer program could contain a computer virus which could cause harm to EPA's computers, network, and data. The attachment has been deleted.

This was done to limit the distribution of computer viruses introduced into the EPA network. EPA is deleting all computer program attachments sent from the Internet into the agency via Email.

If the message sender is known and the attachment was legitimate, you should contact the sender and request that they rename the file name extension and resend the Email with the renamed attachment. After receiving the revised Email, containing the renamed attachment, you can rename the file extension to its correct name.

For further information, please contact the EPA Call Center at (866) 411-4EPA (4372). The TDD number is (866) 489-4900.
